

# PARKLANE ELEMENTARY EXTENDED DAY SUN PROGRAM

Parklane Elementary's SUN Community School program provides Extended-Day programming during the Summer and School Year to students and families across grade-levels\*.

Any family connected to Parklane is eligible to participate in SUN Family events and activities! All services & activities provided flow through the SUN Community School Site Manager with the intention of providing an integrated array of services.

*\*Students entering Kindergarten are only eligible for the Early Kindergarten Transition program at this time, After-School programming is for students enrolled in grades 1-6.*

Parklane's SUN Program Operates out of Room 30 under the supervision of Site Manager Kim Louvin and is designed collaboratively by Metropolitan Family Service and the Centennial School District to adhere to guidelines provided by Multnomah County.
